

RETURN BADGE COMPLIANCE FORM

Please read carefully and complete the form below:

1. The airport-issued ID badge provided to me remains the property of the Pensacola International Airport and **must** be returned to the Airport upon my company's termination of services/contract at the Airport or upon the termination of me as an individual employee – even if the badge has not reached its expiration date.
2. It is my responsibility to return the badge to the Airport promptly.
3. If I do not return the badge to the Airport promptly, I understand my company and/or me as an individual may be placed in a “Never Badge Again” status. This means the Airport reserves the right not to issue a badge for any future employment or for services/contracts that may be awarded.
4. I understand there may be costs associated with the failure to return the badge upon the termination of services/contract at the Airport or upon my termination as an individual employee.

If I have any questions, I understand I can contact the Airport Operations Center (AOC) at 850-436-5000 and request to speak with the Airport Security Coordinator. **I have read and understand the information that has been provided. I agree to abide by all provisions listed on this form.**
